

# YARD SAFETY RULES

BY ENTERING THE YARD, YOU AGREE TO FOLLOW THE YARD SAFETY RULES.

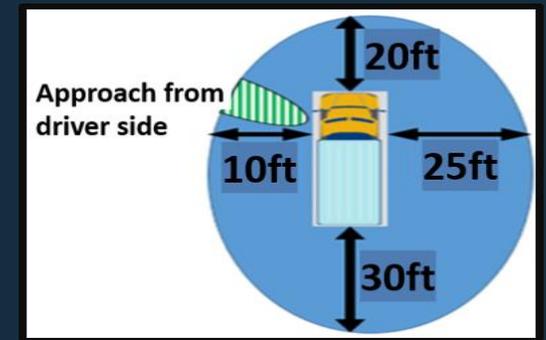

**Do not hook on red lit dock doors:**  
Amazon staff are actively loading and unloading trailers. **Wear a Class II vest at all times. Wear Closed-toed shoes.**

Scan for foot traffic. Always obey speed limits and maintain a safe distance from people. Operate the vehicle with caution and be prepared to stop for pedestrians.

**Avoid Struck-by & Caught In-Between Accidents-** Never walk or drive behind someone who is backing. Exercise caution around pinch points and where vehicles could move or roll.

Do Not Touch or Tamper With Amazon equipment without authorization. Amazon Personnel Only!

**Report all incidents (injuries, vehicular accidents, and/or spills) to Amazon via site personnel prior to departure, and ROC/ARC**

Slide tandems to the rear position  
Linehaul drivers – DO NOT go inside the trailer in the yard!

# YARD SAFETY RULES

BY ENTERING THE YARD, YOU AGREE TO FOLLOW THE YARD SAFETY RULES.

**Exercise Caution While Backing-** Get out and look, as necessary. Back up slowly. Be prepared to stop for pedestrians or other risks. Use extra caution when backing adjacent to other vehicles, especially parked vehicles.

No Smoking, No Idling, No Littering, No Children, or Pets Outside Vehicle at Anytime. **No phone use or headsets unless your vehicle is stationary and you are in your cab**

Physically inspect that king pin has fully engaged with the fifth wheel during coupling process. Perform a tug test!

**Set Brakes-** Engage parking brakes before leaving the vehicle. Always take your keys with you. Do NOT chase rollaway tractors.

Parking Brakes. Red for the Trailer. Yellow for the Tractor.

Don't Piggyback! Never use another's badge to enter the building. Only enter and exit through the driver's cage.

Thank you for your commitment to Safety in our Yards!
